

The Osterville Village Library Update

June 2011

The New Library Takes Shape!

Now you can see how magnificent our new library and community center will be!

There is now a larger children's area, a dedicated young adult area and meeting rooms, all on the same footprint as before!

A comfortable fireside reading room and a historical collections room add to the mission of the library,

Spreading Knowledge, Strengthening Community

Come to the Village Update Party June 22nd 5-7pm on library lawn for more information and donor opportunities available.

Meet the Emerging Leaders group, a new group of energetic and committed individuals whose mission is to support and advocate for the Osterville Library and raise funds through membership donations and events.
