

# The Osterville Village Library Update

Dec. 2011

## The Countdown to Opening Day Begins!

**Donor Wall at entrance to New Osterville Village Library**

### Library Tours HUGE Success!

We have held several tours of the library while under construction. The reaction and feedback from those on tours has all been positive. Everyone is thrilled and excited for their new library and community center. The Children's Room and Fireside Reading Room are tour favorites.

### On Time and On Budget!

Construction is moving along, every day brings us closer to the projected Spring opening. Work on the inside of the library is ongoing. Drywall, painting, carpets, tile and trim are all scheduled over the coming months.

**Library is being built 100% by donations, no taxpayer money.**

### Are You on the Donor Wall?

The deadline to have your name engraved on our donor wall for the Grand Opening is fast approaching. We are still raising money and will be updating the wall annually in the future.

### Your Time & Talents are Welcome!

Volunteering is vital to the health of our library and our community. By donating your time, talent and skills, you'll be helping with fundraisers, programs and events that support our Library.

We have a wide variety of opportunities available with time flexibility and tasks to suit specific interests. Enjoy golf, Friends Bookstore, auctions, clerical work - there are many opportunities to help at the library, whether you have a little or a lot of time, summer or year rounder. Contact the Library for more information.
