

Osterville Village Library

Sensational Saturday Shindigs 2010 application

OVL 2010 Saturday Shindigs will be held the first Saturdays of July, August and September on the lawn of the Osterville Village Library, 43 Wianno Avenue.

They are a non-juried venue for arts, crafts, merchandise & music held from 9:00 am to 3:00 pm. Spaces are first come, first serve. There are no raindates, as Sunday is a slow day in Osterville. We supply the space and you supply tents, tables, money for making change, etc.

I will arrive around 7:30 am to open the library rest rooms and will collect your \$ around 10 am..

All proceeds of space rentals benefit the Library - We raise 60% of our operating budget through fundraisers like Saturday Shindigs, and we truly appreciate your participation.

The earlier we receive your form, the earlier we'll include you in our Summer newsletter. We also advertise these events in Cape Cod Times classifieds and any available public service announcements.
